TRAVELERS WELCOME

Wherever you are from, we welcome you.

Today

For 1 hour you will be engaged and experience our History, Music, Art, Faith and Fellowship through the eyes and ears of our parishioners. This is not a religious service. It is a church with a story and faith to share. We do have a program including a prayer for travelers' safe return home, a blessing, liturgical music and a closing hymn. We thank you for coming, we will do our best to engage with you, keep you, and will pray for your safe return home.
